## ADDRESS: WAY ABOVE YOUR HEAD, MATE.

February 1996 (Common Era)

TO KLAUS DONGER

Dear Mr. Dimwit,

Boo hoo hoo hoo!!!

Got no control over your PAST, huh?

Well, it ain't my problem, Old Timer.

Get a life, and stop trying to breathe life (Neu 4? Hohum) into a Mythical but dead beast.

My book about your group has done more for you than any of your geriatric moaning will ever achieve - you beaten bitter old slag. Read the fucker you old cunt - and then CRAWL ON YOUR KNEES TO ME - AND APOLOGISE.

Fuck me, when I talked about your group everybody said "New", who's that???!!!

They didn't even know how to pronounce you group's fucking name.

We all get ripped off over the years - and I understand the feeling.

Love & Light,

JULIAN COPE (WRITER, POET, SINGER, PHOTOGRAPHER, MYTHOGRAPHER)
